# Introduction

Dear ISSF Family,

Assalamu alaikum wa Rahmatullahi wa Barakatuh

On behalf of the Konya 2021 Local Organizing Committee, I would like to express our warmest regards and sportive greetings to all member countries of the Islamic Solidarity Sports Federation. As you know, Konya city is waiting for you participants and guests of the 5th Islamic Solidarity Games.

I would like to salute friendly all delegations who are preparing to take part in the Games and so experience the unique hospitality of Konya arising with such an opportunity. I am sure you will all have a great time and a memorable period during your stay in Konya. As you know, sportive competence is important but it is not the crucial part of our Games. Instead, our main goal is to establish and build up friendship, solidarity and connection between the youth and athletes of Islamic Umma. With the aim of such a reason, we have been doing our best to prepare an unforgettable atmosphere for you all.

The Local Organizing Committee has been working very hard under the leadership of Youth and Sports Minister Mehmet Muharrem Kasapođlu. We have put full effort to provide the best conditions for a healthy and safe organization. All departments of the LOC are fully concentrated on and committed to the successful delivery of the 5th Islamic Solidarity Games.

We are aware that under current pandemic restrictions the 5th version of the Games will be different and also more difficult than the previous ones. We hope that daily life returns to normal as soon as possible so that we can meet in further events under easier conditions.

Consequently, I would like to remind you that we are highly motivated to meet you, our dear friends in Konya City, the home of Mawlana, hoping to share great times in an atmosphere full of hospitality.

Prof. Dr. Halis Yunus Ersöz  
Chairperson  
KONYA TISGOC 2021

## **Türkiye General Information**

With its breathtaking natural beauties, unique history and archaeological ruins, increasingly developing tourism infrastructure and tradition of hospitality, Türkiye is one of the countries that should be visited.

Türkiye, whose capital is Ankara, is located at a point where Europe, Asia and Africa – the so cold old continents of the northern hemisphere – become nearest. While one part of the land is on the Peninsula of Anatolia, the other stretches out to Thrace, which is an extension of the Balkan Peninsula. The three sides of the country are surrounded by the Mediterranean, the Black Sea, the Marmara and the Aegean, which connect these two seas with straits.

Its neighbours can be listed as Greece, Bulgaria, Georgia, Armenia, Azerbaijan, Iran, Iraq and Syria.

Türkiye is a member of various international organizations among which the United Nations, North Atlantic Treaty Organization, European Council, Organization of Islamic Cooperation, and Black Sea Economic Cooperation can be listed. As of October 3rd, 2005, negotiations on full membership in the European Union have started. According to political scientists and economists, Türkiye is a regional power. Today, the Turkish economy ranks among the first 20 biggest economies in the world. The target is to rank as the 10th in the 100th anniversary of the republic (in the year 2023).

Türkiye, officially known as the Republic of Türkiye, is both a European and an Asian country. Its neighbour to the northwest is Bulgaria; Greece to the west; Armenia, Azerbaijan and Iran to the east; Georgia to the northeast; Syria to the south; and Iraq to the southeast.

### **Climate**

The coastal areas of Türkiye bordering the Aegean Sea and the Mediterranean Sea have a hot-summer Mediterranean climate, with hot, dry summers and mild to cool, wet winters. # KONYA

Konya, with its deep-rooted history dating back to 7000 BC, is one of the oldest settlements in Anatolia.

Konya, home of many civilizations in history, was the capital of the Anatolian Selçuk Sultanate, the standard-bearer of Islam. Konya ranks as one of the great cultural centres of Türkiye with its historical artifacts, mosques, madrasah, caravanserai and shrines, which are the reflections of this rich historical context. In addition to the mystical atmosphere, Konya attracts nature lovers with its thermal springs, green areas and lakes.

The Mausoleum of Mevlânâ Celâleddîn-i Rûmî, located in Konya, also known as the Capital of Tolerance, Solidarity and Understanding, welcomes thousands of people from all around the world every year. While the Whirling Dervishes' sema (firmament) ceremonies and mystical music festivals provide a fascinating experience to the audience throughout the year, Konya is also a center of attraction for guests with its international sports activities, and exhibitions and symposiums.

When Konya is mentioned, its great cuisine and delicious local dishes come to mind. With its rich food culture, it is possible to find flavours that appeal to every palate in Konya.

Konya, chosen as the 'Islamic Capital of Tourism' in 2016 by the Organization of Islamic Cooperation, has accomplished many events and proved its capacity and ability to organize international sporting events or otherwise organizations.

Konya is also a city of universities and sports. As such, Konya is a candidate to host the Sports Capital of Islamic Countries (SCIC) Program in 2021 with the maxim of "Historical Center of Global Sports". Konya is one of the centers of Türkiye's economic life. With its strong economy and the wealth of the young population, Konya already benefits from the strategic urban development program, implemented in line with the comprehensive National Plan for Türkiye scheduled to be completed successfully by the Republic's 100<sup>th</sup> Anniversary in 2023.

# **The Islamic Solidarity Sports Federation**

## **FOUNDATION**

The 3<sup>rd</sup> Islamic Summit held in Makkah and Ta'if (1981 – 1401AH) resolved to establish the Islamic Solidarity Sports Federation (I.S.S.F) to organize sports competitions among members of the Organization of Islamic Cooperation (OIC) and participate in sports-related events.

In 1985 (1405 AH), on an initiative of Saudi Arabia's General Presidency of Youth Welfare (GPYW), the National Olympic Committees of Islamic countries were invited to attend the foundation conference of the I.S.S.F. An Executive Committee was elected to run the I.S.S.F activities under the leadership of His Royal Highness the late Prince Faisal Fahd Abdulaziz, then the President of the GPYW.

At the first meeting of the I.S.S.F Executive Committee held in Riyadh following the OIC Summit, Prince Faisal announced a decision to establish the I.S.S.F headquarters in the Olympic Complex in Riyadh and allocate an annual subsidy from Saudi Arabia for the Federation's activities in addition to the annual subscriptions from Member NOCs.

At the 2<sup>nd</sup> I.S.S.F General Assembly Meeting held in Riyadh in 2000, HRH Prince Sultan Fahd Abdulaziz, President of Saudi Arabia's Youth Welfare and NOC, was elected I.S.S.F President. His election gave a great boost to the I.S.S.F activities, the most important of which was the 1<sup>st</sup> Islamic Solidarity Games. HRH was re-elected as I.S.S.F President for 2005-2009.

At the 7<sup>th</sup> I.S.S.F General Assembly Meeting held in 2011, HRH Prince Nawaf Faisal Fahd Abdulaziz, new President of Saudi Arabia's Youth Welfare and NOC, was unanimously elected I.S.S.F President. He outlined the future policy of the I.S.S.F to stress the importance of solidarity in serving the interests of youth and sports in member countries.
